That Section 5-5.10(a)(6) of Business Opportunity Sales Law of 1995, [815 ILCS 602 ET seq.] (The "Act") provides, inter alia, that a business opportunity is a contract or agreement, between a seller and purchaser, express or implied, orally or in writing, wherein it is agreed that the seller or a person recommended by the seller shall provide to the purchaser any product, equipment, supplies or services enabling the purchaser to start a business when the purchaser is required to make a payment to the seller or a person recommended by the seller and the seller represents directly or indirectly, orally or in writing, that the seller or a person recommended by the seller will provide or assist the purchaser in finding locations, or assist the purchaser in finding outlets or account for the purchaser's products or services, or will provide a marketing plan.
7. That the Concierge associate payphone program, described in paragraphs three, four and five (3, 4 & 5), constitutes a business opportunity as that term is defined in Section 5-5.10 of the Act.
8. That the activities described in paragraph two (2) constitute an offer as that term is defined under Section 5-5.20 of the Act.
9. That Section 5-25 of the Act provides, inter alia, that it is unlawful for any person to offer any business opportunity in this State unless the business opportunity is registered under the Act or is exempt under Section 5-10 of the Act.
